

THE BOSWELL SOCIETY NEWSLETTER

MAY 2020

To all Members

It is with deep regret we have to inform members of the recent death of Stanley Hodge who always came to the Auchinleck meetings until he moved to Perthshire. Those in Scotland will remember him and his article in one of the early booklets. He ventured once to a London meeting. He will be remembered as being a really good friend to us all.

We hope to meet in Lichfield next March 2nd but with the current situation we are unlikely to meet before.

Best wishes to you all.

Rose Boswell
